SECTION 1: APPLICANT QUESTIONS

The following questions should be answered for all projects, unless otherwise noted.

2. Describe the project in detail and explain how your project will support the strategies for each HSTP goal checked in question #1 (applies to new and existing projects);

SECTION 1: APPLICANT QUESTIONS

The following questions should be answered for all projects, unless otherwise noted.

3. What entity is currently or will operate the service (*operating projects only*)?

4. How does this project improve access to other transportation services that go beyond the project's geographic boundary?

SECTION 2: PERFORMANCE MEASURES

This section details performance measures associated with each project type and HSTP goal area. Performance measures will be used to monitor and assess each project’s progress, improvements and overall effectiveness towards improving transportation options for older adults and people with disabilities. Each applicant is required to provide baseline data and projections (where applicable) for each HSTP goal area associated with the project application. Successful applicants will be required to report quarterly on each associated performance measure. Data will also be used to evaluate future Section 5310 project applications (for ongoing operating projects).

Goal #1:	Description:	Potential Performance Measures:
Establish Mobility Management and Travel Training Networks	Projects that support this goal are largely tied to operating projects. Because of this, performance measures are tied to progress made with operating projects.	<ul style="list-style-type: none"> • New partners added to Section 5310-funded operating projects. • Increase in hours and geographic coverage of operating projects.
Please explain how you will gather and report on identified performance measures for this project and identify any additional performance measures that will be used.
