Amtrak provides rail service from Chicago’s Union Station to cities throughout Illinois and United States. Many of these routes, including the Chicago-to-Washington, DC, Amtrak train, are part of a network that connects key cities around the country.

For more information visit Amtrak.com

Chicago Water Taxi offers a convenient way to ride between the city and the train stations and airports. To learn more, visit ChicagoWaterTaxi.com

Regional Transportation Authority

The Regional Transportation Authority (RTA) provides financial, planning, and regional transit planning services for the operations in Northeastern Illinois that serve two million riders each weekday. The RTA, CTA, Metra and Pace, bus and paratransit.

The RTA provides commuter rail service using on-line and telephone travel planning assistance and travel training for people with disabilities. The RTA is the only transit agency that focuses on the entire region when determining transit planning and funding. The RTA has a population of over 50 million and serves over 6 million people throughout six counties and 7,000 transit miles. For more information visit RTACHicago.org

CTA, Metra and Pace

The Chicago Transit Authority (CTA) runs bus and elevated/subway trains in Chicago and its suburbs. For current fare and schedule information, visit RTACHicago.org/resource/accessibility-transit

Metra provides commuter rail services to 242 stations throughout the region serving Chicago and its suburbs. For complete fare and schedule information, visit MetraRail.com

Pace moves people throughout the Chicago region with fixed bus routes. Dial-a-Ride, Call-a-Ride and regional transit planning programs. Most Pace bus routes connect with Metra and CTA service. For schedules and fares, visit Pacebus.com
